

Offering support for your patients

# Let us lead the way

We know this is a challenging time for your patients, who may have questions about coverage for their Gilead medication. Gilead Oncology Support is committed to helping your patients access their prescribed Gilead medication.

## Get your patients started with Gilead Oncology Support

Gilead Oncology Support provides the following assistance:

-  A live program specialist, who can help patients understand coverage and financial options for their prescribed therapy
-  Gilead Oncology Co-pay Program for commercially insured, eligible patients
-  Benefits investigations
-  Prior authorization and appeals process information
-  Patient Assistance Program for uninsured eligible patients
-  Information on additional support and coverage resources

## Resources for patients

We can provide your patients with information to help them access their prescribed Gilead medication.

To speak with a program specialist, call **1-844-876-3358** Monday through Friday, 9 AM to 7 PM ET. Or learn more at [gileadoncologysupport.com](https://www.gileadoncologysupport.com)

If calling outside of business hours, please leave a voicemail and we will return your call the next business day. We can support multiple languages.

# Here to help along the way

Enroll your patient in the program that's right for them

Enroll online at [www.gileadoncologysupport.com](http://www.gileadoncologysupport.com), call us directly at **1-844-876-3358**, or simply scan the **QR code below**.

## Gilead Oncology Support

Enroll in the full program, which includes a benefit verification and assessment, including enrolling your patient in the co-pay program, if they are eligible.

## Gilead Oncology Co-pay Program

Enroll in the co-pay program only, for eligible patients with commercial or private insurance.\*

\*Co-pay support is available for commercially insured, eligible individuals only. Additional restrictions may apply. Subject to change; for full terms and conditions, visit [gileadoncologysupport.com](http://gileadoncologysupport.com). This is not health insurance.

### How to scan a QR code with a smartphone or tablet:

1. Point the smartphone or tablet's camera at the code.
2. An icon or web address will appear on screen near the code.
3. Tap the icon or web address to go to the linked website.

## In-person support for access challenges

**Field Reimbursement Managers (FRMs)** can assist your office with program overviews, general access-related questions, and other help along the way. To request an FRM meeting, visit the website and click "Request an FRM" in the upper right corner.

To speak with a program specialist, call **1-844-876-3358** Monday through Friday, 9 AM to 7 PM ET. Or learn more at [gileadoncologysupport.com](http://gileadoncologysupport.com)

If calling outside of business hours, please leave a voicemail and we will return your call the next business day. We can support multiple languages.
