

Let us lead the way

We know this is a challenging time and that you may have questions about cost and coverage for your Gilead medication. Gilead Oncology Support is here and is committed to helping you access your prescribed medication.

Actor portrayals

Connect with the support you need

Gilead Oncology Support is a patient support program that can provide information and resources to help you understand coverage and financial options for your prescribed Gilead medication.

How we can help

At Gilead Oncology Support, we provide the following assistance:

-  A live program specialist, who can help you understand coverage and financial options for your prescribed therapy
-  Gilead Oncology Co-pay Program for commercially insured, eligible patients
-  Benefits investigations
-  Prior authorization and appeals process information
-  Patient Assistance Program for uninsured eligible patients
-  Information on additional support and coverage resources

To speak with a program specialist, call **1-844-876-3358** Monday through Friday, 9 AM to 7 PM ET. Or learn more at gileadoncologysupport.com

If calling outside of business hours, please leave a voicemail and we will return your call the next business day. We can support multiple languages.

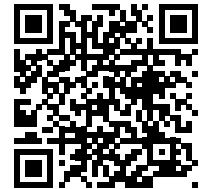

We're here to help

Enroll in the program that's right for you

Gilead Oncology Support

Enroll to receive live help from a program specialist, find out about financial support options, and get enrolled in the co-pay program, if you are eligible.

Gilead Oncology Co-pay Program

If you have commercial insurance, you may be eligible to enroll and pay as little as \$0* for your prescribed Gilead oncology medication.

If you receive an invoice for the Gilead medication prescribed to you, there may be support to help with your out-of-pocket costs. Give us a call to see how we can help.

*Co-pay support is available for commercially insured, eligible individuals only. Additional restrictions may apply. Subject to change; for full terms and conditions, visit gileadoncologysupport.com. This is not health insurance.

How to scan a QR code with a smartphone or tablet:

1. Point the smartphone or tablet's camera at the code.
2. An icon or web address will appear on screen near the code.
3. Tap the icon or web address to go to the linked website.
